The case of Ernest Lafleur, charged with manslaughter in connection with the death of Roland Gault, who was struck and killed by an automobile driven by the former, was heard Monday by Judge F. H. Post. Attorney Samuel B. Harvey appeared for the state, and Attorney Davis of Hartford for Lafleur. Seven witnesses for the state were heard. Harold Higgins, who was in the car driven by Lafleur at the time of the accident, was the first witness for the defense. He told how at his suggestion, the car went by way of Jackson and Valley streets to avoid meeting the fire engine which was coming down Main street. As the turn into Valley street was made, according to Mr. Higgins, the child ran diagonally across the street, and not more than ten feet in front of the car. Previously, Mr. Lafleur had been driving at a rate not exceeding twelve miles, and at the time of the turn, was going at a rate of about four miles. Mr. Higgins stated that Lafleur did all in his power to avoid an accident. Judge Post found probable cause and bound Lafleur over to the next term of the superior court under bonds of \$1,000, which were furnished by his mother.

The influenza epidemic is ending. The emergency hospital has been closed and will be thoroughly fumigated today. In the three weeks the hospital has been in operation it has cared for about 100 patients and reported 14 deaths. The success of the hospital is largely due to City Health Officer Dr. Michael Riordan. Mrs. W. P. Keating, head nurse, and her assistants.

# DONT BE BALD

How to Make Hair Grow Strong, Thick and Lustrous.

Few of us get bald in a day and we all have ample warning when our hair is thinning out. Parisian sage is a most efficient hair invigorator, but to immediately stop any further loss of hair and quickly start a new growth it must be rubbed into the scalp so the starved hair roots can really absorb it and get the vital stimulation so badly needed. You will surely be delighted with the first application for your hair and scalp should look and feel 100 per cent. better. Parisian sage is not expensive. It's a scientific preparation that supplies all hair needs—a clean, non-sticky, scientific liquid that is sold by Le Roy, Osgood Co. and at drug and toilet counters everywhere with guarantee to give you perfect satisfaction or money refunded. Good looking hair is half the battle in any man's or woman's personal appearance. Neglect means dull, thin, lifeless hair and finally baldness, while a little attention now insures thick and lustrous hair for years to come. No matter what your hair troubles try Parisian sage tomorrow tonight—you will not be disappointed.
